Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 17 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Much cloudier and wetter on Monday but staying very mild.

This Evening and Tonight:
A warm end to the day, with plenty of sunshine for most. Dry with clear periods this evening and at first overnight, but clouding over with rain and drizzle later. Mist and low cloud developing in the west. Increasingly mild. Minimum temperature 10 deg C (50 deg F).

Monday:
Cloudy with outbreaks of rain and drizzle spreading east. Staying largely cloudy with pockets of drizzle through the afternoon. Some brightness may develop later, especially in the east. Feeling warm. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Spells of rain or heavy showers, these interspersed by some drier and brighter interludes. Unseasonably warm by day and mild overnight, but turning colder by Thursday. Very windy at times.
